Dear Families,
Planning for 2019

We will be looking at classes and staffing for next year over the next few weeks. If you are leaving the school at the end of this year, could you please let the school know as soon as possible?

The numbers are very important as we look at class sizes etc.

PRAYER TO MARY

Holy Mary, on this day,
we honour your life as the chosen
Mother of Jesus.

*We remember your dedication to God
and the joy and heartache you had
in your life as you followed God's plan for you.*

*We pray for the love you had for God,
the hope you had in Jesus, and the
joy you found in your heart.*

*Pray for us as we grow in love, hope
and joy.....AMEN*

Alice in Wonderland Update

All grade 5/6's have a letter detailing their involvement on the upcoming Sunday rehearsal.

A letter is coming out next week with each child's costume items that they need to contribute.

Spares of these letters are available from the office (from Ms M's tub) if your child has misplaced theirs.

Could any parents willing to help with costumes & makeup please contact Ms Matthews (via text) as it would be terrific to have extra hands on the Sunday to help fit & organise costumes.

There are a few costumes that need to be made, if there are any sewers out there. They are very simple in design. Looking forward to a great show.

Ms Matthews

CHILDREN'S CHATTER MATTERS

Term 3 Language genres/ communicating for different social purposes

These activities will help the students to make the necessary adjustments to their language so they can communicate for a variety of purposes eg; to tell stories, recount events, persuade, give instructions and report information.

Learning about the language and types of words we use in each of these different contexts supports not only the child's oral language but written language development also.

The art of persuading!

Many children are very good at arguing but have they got the power of persuasion.

Can they justify their decisions and provide evidence?

The ability to provide a convincing argument both verbally and in written form is a critical life skill that children need to develop.

Ask your child to provide 3 reasons for and against each of these situations:

a. Having the following animals as pets (encourage them to be as creative as possible)

- snake, cat, koala, mouse, seahorse, magpie, giraffe.

b. having a sleepover at a friend's house

c. staying up to watch a late night movie

d. buying a new electronic game

Encourage them to use the language of persuasion for example: "I believe that a snake would make an excellent pet for the following reasons; firstly it would certainly scare away unwanted visitors....."

The art of persuasion.

Show your child how to become more aware of the persuasive devices used by advertising companies.

As you drive around notice and discuss the ads on various boards and signage.

You could also look through the junk mail and catalogues. Focus on the words or images that influence you most. Would you buy this product why or why not?

Season's for Growth *A grief and loss program*

Change and loss are issues that affect all of us at some stage in our lives. At St Monica's we recognise that when changes occur in families through death, separation, divorce or related circumstances, children and young people may benefit from learning how to manage these changes effectively. We are therefore offering a very successful education program called Seasons for Growth. This program is facilitated in small groups and is based on research that highlights the importance of social support and the need to practise new skills to cope effectively with change and loss. The program focuses on issues such as self-esteem, managing feelings, problem-solving, decision-making, effective communication and support networks.

Seasons for Growth runs for eight weeks and each weekly session is 40-50 minutes during school hours. The program concludes with a 'Celebration' session. Later in the year each group will have the opportunity to meet for a re-connector sessions to build on their earlier learning and to follow up how each child is going.

Seasons for Growth will commence in third term and will be facilitated by **Wendy McIntosh** (School Chaplain) who has received special training in the use of this program. For more information please contact Wendy at the school and/or express your interest in this program by returning the slip below to the school office in an envelope addressed to Wendy McIntosh.

St Monica's is pleased to be able to offer this important program and we are confident that it will be a valuable learning experience for those who request to be involved.

Kind Regards

Wendy
