CURRICULUM & ICT LEVY

Income from the Curriculum & ICT Levy supports the purchasing of stationery, materials and resources for student use in the classroom and specialist classes, e.g. Art, Music, Library. It also assists the school to provide computers, information technology and associated support.

CAMP, SPORT, EXCURSION & OTHER LEVY

Costs associated with Excursions, Swimming & Sporting Programs, visiting groups and performers etc... are financed by income received from the Camp, Sport, Excursion & Other Levy. Camps and excursions are an important part of the school curriculum, giving students the opportunity to experience learning outside the normal school environment. The levies for camps and excursions are carefully considered and budgeted for according to the number of students enrolled in each year level. It is expected that students participate in excursions and camps planned for their year level.

CAMP

The cost of 5/6 camp is subsidised by the school. This is to ensure that all students have the opportunity to participate in this valuable experience.
